**September 21, 2009**

### **Al-Qaida’s Network in the Arabian Peninsula (Yemen) The English Translation of Sada Al-Malahim's Audio Release “The Descendents of Muhammad bin Maslamah” Released on: September 21, 2009**

*[This document is the transcript of an Arabic-language audio release obtained by NEFA investigators on behalf of the NEFA TerrorWatch subscription service. On August 27, 2009, a suicide bomber professing a desire to recant his support for Al-Qaida and swear allegiance to Saudi authorities attempted to assassinate the Deputy Interior Minister of Saudi Arabia, Prince Mohammed bin Nayef al-Saud. Al-Saud was slightly injured in the attack which took place during Ramadan celebrations in the Saudi Kingdom.]*

"Allah said: 'And let not the disbelievers think that Our postponing of their punishment is good for them. We postpone the punishment only so that they may increase in sinfulness. And for them is a disgracing torment.' (Aali Imran: 178)"

"On the authority of Jabir b. Abdullah, may Allah be pleased with them both, the Messenger of Allah (p) said: 'Who will deal with Ka'b b. Al-Ashraf, for indeed he has harmed Allah and His Messenger (p)?'"

"Muhammad b. Maslamah said, 'I will.'"

"So he went to him and said, 'Can you lend us one or two camel loads of food?'"

"He said, 'Give me your women as collateral.'"

"They said, 'How can we give you our women as collateral when you are the best looking Arab?'"

"He said, 'Then give me your children as collateral.'"

"They said, 'How can we give our children as collateral to you? People will insult them later saying, 'He was held as collateral for a camel load or two of food. This will be a disgrace for us. However, we can give you our weapons as collateral.'"

"He promised him to return, [and when they did,] they killed him. They then went to the Prophet (p) and told him of this. (Al-Bukhari and Muslim)"

"This hadeeth is a proof that Muhammad b. Maslamah killed Ka'b b. Al-Ashraf after he made a deal with him to buy [some food] from him. He promised to return with two of his friends."

"Abdullah b. Ateek and some of his friends assassinated Ibn Abi Al-Huqaiq while he was in his home amongst his children, as mentioned in Al-Bukhari on the authority of Baraa' b. Azib, who said: 'The Messenger of Allah (p) sent a group of people to the Jew Rafi' Ibn Abi Huqaiq. Abdullah b. Ateek entered his house at night while he was asleep and killed him.'"

"What do those who object to our attempt to assassinate Muhammad b. Naif say about what the Messenger of Allah (p) and the Sahabah did? They should know that we did not come to any agreement with them. We only tricked them into thinking we were surrendering, and war is indeed ruse. We have an example before us in what the Companions of the Messenger of Allah (p) did."

[Al-Malahim]: "Due to the traitorous agents, the Arabian Peninsula, the land of the revelation, has become a pasture for the Crusaders and a launching ground for their warplanes which bomb the Muslims in Iraq and Afghanistan."

"This corrupt regime of the Saudi Family played the biggest role in this treachery of aiding the Crusaders and allowing them to gain control of the Land of the Two Holy Sanctuaries. This history of treachery and servitude began in the reign of their forefather, the British agent (Abdul-Azeez b. Saud)."

[Prince Talal b. Abdul-Azeez]: "He received a salary. This salary was, according to my opinion now when I think about it, like loans; loans which rich nations give to poorer ones."

[Ahmed Mansour (Al-Jazeera Channel)]: "You mean this salary was not like something to keep the King quiet or like away to buy his loyalty?"

[Prince Talal b. Abdul-Azeez]: "Maybe... maybe... because that was the goal of the British. Is it logical to give a salary of 5000 pounds in that time to a person in a desert? It was a huge amount. Do you think they would do this for the sake of Allah? No, they would give it to him to fulfill some purpose of theirs."

[Prayer]

[Al-Malahim]: "The progeny of Abdul-Azeez b. Saud carried on this heritage of servitude, adding to it with their repression of Muslims, squandering their resources, and spreading immorality and decay through the media establishments they themselves own. Thus, there was no other choice but to annihilate this haughty, corrupt regime and to shake their thrones, as it will always remain a Sunnah to target the main figures of infidelity and idolic tyranny due to their role in leading the forces of falseness, immorality, and treachery, and waging war against Allah's religion, to keep their evil at bay from the Muslims and to make them a lesson for others to learn from."

[Sheikh Abu Baseer]: "Assassination of idolic tyrants will always remain a Sunnah which the Messenger of Allah (p) himself initiated, put into practice by Muhammad b. Maslamah; his progeny is still present, and his blood runs through their veins. Be warned with something you

dislike, for our heroes have woven their shrouds with your blood. If you can flee from your own skin, then do so, for by Allah, they will climb over into your fortresses and they will come to you from places you never imagined. We do not seek honor in them nor in others of the creation over you, but rather we seek honor in Allah who revealed this religion through Muhammad."

[Abul-Khair, Abdullah Hasan Al-Aseeri]: "As for the idolic tyrants, those of the Salool family, the Saudi family... by Allah, we will strike them in ways they have never heard of. Allah has indeed favored us. We warn the idolic tyrant, Muhammad b. Nayef, with that which he will dislike, Allah willing."

[Al-Malahim]: "Muhammad b. Nayef, Saudi Deputy Interior Minister and the second most superior official in the security apparatus, who used his position to tyrannize the righteous slaves of Allah. His prisons became filled with the righteous, those who are jealous about Allah's religion from the scholars and Mujahideen, the numbers of which exceed 18,000, suffering his torture and repression as a service to the Crusaders in defense of their interests."

[Al-Aseeri]: "Our scholars have been in prison for many years only due to their adherence to Laa ilaaha ill-Allah, the likes of Sheikh Waleed Al-Sinani, Sheikh Sulaiman Al-Ulwan, Sheikh Khalid Al-Rashid, Sheikh Faris Al-Zahrani, Sheikh Hamad Al-Humaidi... there are many of them, too many to mention them all here. Allah willing, He will soon relieve the pain of His righteous slaves and grant them His victory."

[Al-Malahim]: "Their evil was not limited to pursuing the Mujahideen in the Land of the Two Sanctuaries, but rather he fought them everywhere he could in various ways."

[Al-Aseeri]: "As our brother Nasir Al-Qahtani, may Allah free him from prison, said, that no light of Jihad started to shine anywhere, even on the other side of the world, such as Chechnya and Afghanistan, except that you will find that the idolic tyrants of the Saudi Family have much interference in it, playing the greatest role in destroying the Jihad."

[Commander Abu Hurairah]: "Muhammad b. Nayef... this person who has more authority in the Interior Ministry of Yemen than the ministry of his father, and this is only due to the fact that he bought out the conscience of Yemeni officials with Saudi Riyals. As a result of this rotten deal, the resolute and firm people of Yemen are fiercely attacked, their homes raided in the name of anti-terrorism and hunting vandals."

[Al-Aseeri]: "You must have heard Muhammad b. Nayef's role in supporting the Awakening Councils against the Islamic State of Iraq. Allah willing, receive glad tidings that we are coming to your defense, O my brothers in Iraq, and will take revenge for you from this idolic tyrant. The blood of the Mujahideen will not go to waste."

[Al-Malahim]: "With Allah's grace and favor alone, He aided the Mujahideen in carrying out a complex intelligence operation after penetrating the ranks of the enemy's spies, documented in both audio and video form. Through this, Allah allowed us to reach a private gathering in the palace of one of the leaders of crime and apostasy in his own private jet. They thought their fortresses would shield them from Allah, but our brother, the heroic Mujahid Abdullah Hasan Tali Al-Aseeri, may Allah accept him, detonated an unique and advanced explosive device. [The torment of] Allah came to them from where they could never have imagined, as he was searched more than once in Najran Airport, Jeddah airport, and the Prince's palace."

[Al-Aseeri]: "This is my ammunition... Allah has made this available to the Mujahideen. As Allah says: 'They were plotting, but Allah too was planning, and Allah is the Best of the planners.' (Al-Anfal: 30)"

"The idolic tyrants of the Saudi Family thought that they closed the doors on the face of the Mujahideen, by banning all explosive substances from the markets. But Allah made available to

us something they cannot handle. 'They were plotting, but Allah too was planning, and Allah is the Best of planners.' Allah willing, we will come to you with only 50, 100 or 200 grams. Allah willing, our brothers in the explosives department will release some instructive videos about how you can blow up the enemies of Allah with simple ingredients available to all which they cannot ban, except if they kill everyone or close all the stores. Sometimes you will be amazed that explosives can be made with things we even eat. This is all from the Bounty and Grace of Allah."

"By the Grace of Allah, in this operation, Allah granted the Mujahideen a large sum of money, cool and soothing booty from Muhammad b. Nayef, after he foolishly thought that he could buy the religion of the Mujahideen with his wealth."

"Due to their foolishness, they paid the price of the operation and were stung twice."

[Commander Abu Hurairah]: "We say to him: we are the inhabitants of Muhammad's Peninsula, may peace and blessings be upon him. We say to him that your wealth will not tempt us away from following the way of Muhammad. You will see what you have never heard before. If there is any advice we can give you and your father, it is that your staying in Riyadh is better for you than Sana'a."

[Al-Aseeri] (holding a grenade): "Allah willing, it will reach Nayef. No matter how many desert us, Allah is with the Mujahideen and will favor them. Allah willing, this cute gift will reach him, and we will perfume it before we give it to him."

[Al-Malahim]: "By the Grace of Allah, the Mujahideen were in continuous and direct contact with the martyrdom-seeker, Abul-Khair, from the time of his departure until the time of the explosion. The following is a recording of the last phone call:"

[Mujahid] (from Yemen): "Greetings."

[Abul-Khair]: "As-Salamu alaikum."

[Mujahid] (from Yemen): "Wa alaikum As-Salamu wa Rahmatullahi wa Barakatuh."

[Abul-Khair]: "How are things?"

[Mujahid] (from Yemen): "Greetings... may Allah greet you."

[Abul-Khair]: "How are things with you?"

[Mujahid] (from Yemen): "May Allah keep you safe. What's new?"

[Abul-Khair]: "All praise be to Allah."

[Mujahid] (from Yemen): "How are you? Well?"

[Abul-Khair]: "Your dream has come true, Allah willing."

[Mujahid] (from Yemen): "Glad tidings from Allah."

[Abul-Khair]: "Allah willing, the dream has come true."

[Mujahid] (from Yemen): "Glad tidings from Allah."

[Abul-Khair]: "How are you all? Doing well?"

[Mujahid] (from Yemen): "All praise be to Allah. What's new? Give us some good news."

[Abul-Khair]: "I met the Prince and he told me everything. Everything is going as expected."

[Mujahid] (from Yemen): "All praise be to Allah."

[Abul-Khair]: "As soon as you arrive, a plane will take you to Jeddah. We will perform Umrah. All our families will come. As for the interrogation..."

[Mujahid] (from Yemen): "Raise your voice a little, I can't hear you well..."

[Abul-Khair]: "As for interrogation...normal... just like the previous ones. As for residence, if he doesn't want to live in one area, if he wants to live somewhere else, they will provide him with residence elsewhere, even if it's in a different city. As for those who were arrested because of Abu Sufyan..."

[Mujahid] (from Yemen): "What?"

[Abul-Khair]: "Those who were arrested because of Abu Sufyan... this will be dealt with if Abu Sufyan comes. Allah willing he will not be sorry."

[Mujahid] (from Yemen): "Raise your voice a little, I can't hear you well..."

[Abul-Khair]: "All things are well. Here, speak to the Prince... I say to you... think well of Allah. In a Hadeeth Qudsi, 'I am as My slave thinks of Me.' Think well of Allah, for thinking well of Allah is the key to all goodness in this life and the next."

[Mujahid] (from Yemen): "Allah willing."

[Abul-Khair]: "Here, speak with the Prince."

[Mujahid] (from Yemen): "Give him the phone."

[Prince Nayef]: "As-Salamu alaikum."

[Mujahid] (from Yemen): "Wa alaikum as-Salam wa Rahmatullah."

[Prince Nayef]: "How are things? I am your brother. I hope you are all well?"

[Mujahid]: "Greetings... greetings. How are things, O you with a long life?"

[Prince Nayef]: "All is well. May Allah greet you. Give me the good news of your health. How are you feeling?"

[Mujahid]: All praise be to Allah, all is well.

[Prince Nayef]: "By Allah, I am pleased to hear your voice and the voice of all your brothers, and I doubt..."

[The Sound of explosion and the cries of the Mujahideen, "Allahu Akbar (Allah is the Greatest!!!)"]

[Al-Malahim]: "The operation was implemented successfully in Muhammad b. Nayef's palace, by the Grace and Favor of Allah."

[Sheikh Abu Sufyan]: "All praise be to Allah, the Greatest and Most Magnificent, and no hostility is shown except against the unjust. And may peace and blessings be upon the Noble Messenger who was sent with the sword until the Final Hour. To proceed..."

"I say to the government of the Saudi Family: All praise be to Allah who used the Mujahideen to break your security bubble. This is only a message for you people who spread corruption on earth, who have done away with the laws of Allah, spreading immorality and debauchery, waging war against the slaves of Allah, the Mujahideen. If you have succeeded in restricting our activities in our own land by waging war against our religion, killing our brothers, desecrating our honor, imprisoning our scholars, brothers, and sisters, and stealing our wealth, we swear by Allah the Magnificent, we will not spare any efforts in our war with you, carrying out special operations which will whiten the hair of the youngest of your comrades, with Allah's Help."

"And I say to you, O Prince in your father's Interior Ministry: Just as you raided and destroyed our houses, we have raided and destroyed your palaces. Know that the only thing which prevented your death was the Decree of Allah which will soon humiliate you if you do not repent from your war against Allah and the slaves of Allah, the Mujahideen. Indeed Allah delays the death of the wrongdoers so that when He does take them, nothing can break them loose. I warn you from your own tyrannical and unjust self that you continue to oppress our innocent families in the Land of the Two Holy Sanctuaries. There are many more days to come, and this was only a drop of rain, by the Help of Allah. All people saw you blunder from the horror of what struck you, as you did not know what to say. You once declared that you have put an end to Al-Qaeda and that it no longer existed, yet the most-wanted lists as well as the numbers of those who have set out for Jihad continues to grow, by the Grace of Allah. It has become known to all that Al-Qaeda, with Allah's Help, crossed the doorsteps of your palaces. As for the raucous in the media, it will bear you no fruits. Distortion of facts, calling things with new names and lies will be dispelled by the proofs of heroic acts in the battlefield, Allah willing, and the end will inevitably be victory, Allah willing. The mouthpieces of the media and the slaves of the rulers swear to you so that you will be pleased with them. But even if you are pleased with them, indeed Allah is not one who is pleased with sinning people. They have no say, neither politically nor militarily. They are only on the sidelines, slaves of the cane."

"Know, O Ummah of Islam, we spend our souls, which is our most precious commodity, to defend you, and to return your rights which were stripped by these proxy rulers who have taken you as a commodity which they compete to buy and sell. The last deal which they bartered was Pales-tine and normalizing relations with the Jews. By Allah, we give our lives to be your shields and

vanguard, Allah willing, with the Ability and Power of Allah. And the last of our prayers, is that all praise is due to Allah, the Lord of all that exists."
